ABOUT ALI

July 21, 2015 we lost our daughter/sister/friend Ali Shae Coleman to cancer. Ali was just 6 years old and a student at Verda James Elementary School. Although her time with us and at this wonderful school was short, Verda James became part of our family and therefore felt the loss.

With the proceeds from the Cocoa Social Ali's mom supports others through the Ali Shae Coleman Pink Rose Foundation - providing tools to families whose children are battling cancer. The foundation/family/school wishes to honor Ali again this year by hosting the Ali Shae Hot Cocoa Friday.

Please join us in this celebration of a beautiful life that touched so many.
